PROGRAMME

Our 2021 Summer Programme will definitely look much different than our regular Summer Camp. Infection control practices will definitely cause us to rethink how we do things. Although we don't anticipate being able to take excursions or have special guests at the Centre, our staff team is determined to make it a fantastic summer for the children. We will ensure our programme encompasses sports, drama, dance, arts & crafts, games, food experiences and long-term projects related to the children's interests.

As always, our summer programme will include lots of sunshine, water play, nature and FUN!! By keeping our numbers low, we can ensure lots of outdoor time, flexible schedules and the unhurried pace that summer should provide.
